1. Investment foundations and BVG-compliant investment funds

In the case of products in the “Execution only” and “Advisory” categories, the client can invest his pension assets in the following investment foundation claims and/or shares of BVG-compliant investment funds (non-exhaustive list).

Depending on the pension product offered, additional restrictions in the benefits agreement of the available selection of securities are to be observed. If different tranches are offered for identical investments, the Foundation shall choose the tranche. The various tranches are equivalent and are not shown separately in the list below.

If changes to the securities offered directly affect the client, the Foundation shall notify the client of them in an appropriate manner.

2. Exchange Traded Funds, Index Funds and other investment funds

In the case of products in the “Asset Management” category, pension assets are managed on a discretionary basis by the Foundation or by an asset manager. In addition to the securities in subsection 1 above, the following Exchange Traded Funds (“ETF”), Index Funds and other funds are available for the asset manager to choose from (non-exhaustive list).

Depending on the pension product offered, additional restrictions in the benefits agreement of the available selection of securities are to be observed. If different tranches are offered for identical investments, the Foundation shall choose the tranche. The various tranches are equivalent and are not shown separately in the list below.

Changes to the securities offered are reported to the asset manager in good time. The Foundation shall notify the client in an appropriate manner of changes that are relevant to the selection of an investment strategy. The current overview of all securities offered can be found at www.uvzh.ch.
