## 1. Target values and margins of available pension products

Insofar as no alternative regulations are expressly stipulated in the benefits agreement, the following margins and/or target values apply to the available pension products and strategies. Compliance with the margins shall be monitored by the foundation on a regular basis.

Investment category	Min.	Max.
Real estate	0%	30%
Alternative investments (commodities, hedge funds, private equity)	0%	15%
Foreign currencies	0%	30%

## 2. Product categories

### 2.1. Product category "Execution only"

Only investment foundation claims and/or shares of BVG-compliant investment funds as per Annex 1 (1) of the Investment Regulations are used, which is why only the equity component laid down in the prospectus is referenced here.
